Other:

- A friend of Barbara's (Steve ?) is continuing to work with Chris to get him an ID card issued by Texas DPS. To date, they have not had the proper documentation to get the photo ID.
- He has his SS Card.
- He has a document that was produced by the courthouse in Waller, TX, which was supposed to be his birth certificate. It was not. He is to contact the State for a certified copy.
- Steve's attempt to get Chris into a half-way house has not worked out. All facilities are full, or are closed due to the Covid pandemic.
- He is currently staying at Steve's apartment, but this is only a temporary fix.
- As of this date, Chris does not know when, or whether, he will be recalled to return to the Job Corps campus at San Marcos. He does not have a backup plan at this time.
- As of yesterday, I was told that Barbara will not allow him to come onto her property, for any reason.
- If he is evicted from Steve's apartment, and another residence, or solution, cannot be identified, I plan to contact the TX Adult Protective Services (APS) and open a case file on him. He would then be eligible for State aid, Welfare, SSI and assistance with job placement. This would be a call from, me, a private citizen, not as a representative of the Katy church.
