To Whom It May Concern

Dear Brethren / Bro. Tony Gaglio / Benevolence

My name is Ricardo Cardenas, my sister Rosa Maria and I are members of Bridge Ave. Church of Christ in Weslaco, TX. We are brother and sister to David Cardenas whom was the former Director of Monterrey School of Preaching in Monterrey, N.L. MX

This letter is intended to inform you about the extreme financial hardship we are facing. We just lost our mother, Maria Andrea Cardenas at the age of 92, October of last year, which caused a financial burden on our life. For the last two years I have been working as my mother's provider and our financial expenses were covered by my wages and my mother's SSI check, but both are now lost.

We are reaching out to your heart and generosity in this time of grief hoping for your kindness. My sister and I need your help while I get back on track finding a new job. I am 66 and it has not been easy to get back on track during the holidays. It is already the end of January and unfortunately I still have not found a job. Only promises.

We are pleading for help. Any donations will be appreciated. Maybe a special church contribution from your home church or a personal contribution to help us go through these months of extreme need will be kindly appreciated.

Thank you for your kind consideration. Please keep us in your prayers.
May God Bless You.

Sincerely your brother in Christ,

R. Cardenas
