Brothers

A few weeks ago I received a text from Stephy Autrey about one of her WEI students, **Ana Fernandez**, who was involved in a (hit and run) automobile accident and who may be in need of some financial support to get her car repaired. To my knowledge, Ana had not then, nor has she since, requested support from the church.

Stephy had been studying with her for several months. She was attending worship services when she wasn't working and has an interest in the church.

The accident was not her fault. She only has liability insurance coverage on her vehicle and she has very limited means to pay for the repairs.

Bud James has been involved and working with Stephy to assist Ana in getting an estimate to repair her car. Both have indicated that they will provide some assistance in getting the repairs done.

Bud has shared an estimate (attached) of repairs (\$2655) from the Fry Rd Collision Center and estimated that the repair would be completed within 11 days, which is sometime this week.

This is a preliminary estimate and may not be the final cost to repair.

I believe that this is a great opportunity to show the love and hospitality of the Katy church to someone who really could use the support. Given Ana's interest in the church, her devotion in studying the Bible and improving her English skills, I am requesting that provide at least \$2500 of the estimated amount to repair her car.

I have attached the preliminary estimate from Fry Rd Collision Center.

Randy Anderson
