Comments:	Linda doesn't have a job and no income. She asked the church for help. I paid her motel room with my American Express and Debit card from July 28 through Sept 14th. The remaining balance is \$1601.71. She moved into an apartment (room) on September 14th. I paid the deposit and remaining rent for September with personal check. Amount is \$596.16. Please reimburse Randy for \$2197.87. The AMEX statement, receipt from Springhill Suites and copy of personal check are attached to this request. Thanks Randy A.

About Trailing Interest
You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full (or if you have a Plan balance, by paying your Adjusted Balance on your billing statement) by the due date each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.
