Comments:		Karen missed a week of work due to her brothers death. She contacted covid while traveling and has missed one week of work due to covid. Sunday, Jan. 28, Today she continued to test positive for covid and will probably miss another week of work. She asked, and I agreed that we would help her recover her lost wages due to the travel for funeral and now covid.			
		Please make the check out to Karen and contact her when its ready. BEWARE- She may come to the building without a mask.
