I was so hoping last month would have been the last month on paying rent. My daughter and I had miscommunication of her being able to pay rent and it actually starts in December. So therefore I just found out I don't have it for this month but going forward we will. We have a friend moving in to help and pay rent in December till our lease is up in July and then we will be able to move out with out losing all the money on our deposits and having a broken lease.

I so appreciate everything that Katy and the Elders have done for us.

So the rent is 2150 which is due no later than the 3rd if anyway to get help this last time.

Thanks again
Vicki Shepherd
