

Yvette Wright is staying at the hospital (sleeping in Barry's room), 24-7. Occasionally Andre and or Dionna will relieve Yvette for a short stay at her home. When they go there, they park in the hospital garage which may charge up to \$30 per day for parking in their garage. I spoke to Yvette. She said that Dionna could use some help in offsetting the costs of travel, parking and meals while covering for Yvette. I spoke to Woodrow. He agrees with providing some assistance. Please make check out for \$750 Dionna Wright. Either place it in my box or contact Dionna when ready. Thanks Randy A. Cash instead of check.
